Dear Caroline and Hassy:

How about giving some thought, with me, to the enclosed letter just received from the USA? Mrs. Watumull, mentioned in the first paragraph, is Mrs. Ellen Jensen Watumull, of the Watumull Foundation, Honolulu.

If you have any ideas, hold them, and we'll talk about it when I get back to Mysore in another ten days or so. I have also sent a copy to Farouk and Sheila drawing attention to the Rotary mention.

Meantime... love to you all,

Julie Medlock
